

# MSS2020

## When sending abstract or poster make sure to use these guidelines:

- An abstract should be a brief summary of your proposed presentation and should not exceed 250 words.
- The abstract should be written in English, 10 pts, Times New Roman. It should be written in one paragraph, single-spaced, without graphics. References should be cited per standard journal format.
- Cite the authors of the abstract in the following format: Name, Surname, Company name, Country.
- The author(s) should proof-read the text carefully before submitting; it will appear in the Book of Abstracts exactly as written.
- Poster presenters will have an allocated space (84 cm (length) x 164 cm (height)) for presenting their poster. Posters will be discussed during the Poster Sessions and authors are requested to be present by their panel to answer questions and give further information.
